Yes, you are correct - you already emailed me (on May 7th) telling me that I wasn't going to be needed in the [REDACTED] trial scheduled for 5/18. Thanks.

Hey Sonja,

I emailed to cancel you for this case correct? I thought I did, but I cannot find the email. Please send me a confirmation that you know you do not need to be in Pittsfield for this case on 5/18. Thank you!

I know that it may be a bit premature, but have there been any changes in the [REDACTED] trial scheduled for May 18, 2010 (I know you previously mentioned that you thought it may plea out before then)? I'm just wondering since I received another district court summons for May 18th in Springfield yesterday and wanted to let the ADA know if I'll be available or not. Thanks.

This case was continued today until 5-18-10. It will likely be disposed of short of trial but I am going to send you a summons anyways. I am hopeful that the case will be brought forward for a plea before then. Thank you

For now it was just continued, but it is looking like a plea in the future. Hopefully I will not have to have you come up for it in the future.

I received your email - thanks for keeping me informed. Out of curiosity, was it just continued, or did she plea or something? Thanks again.

Good news. [REDACTED] is no longer on for trial on 1/27/10. So you do not need to make the trip up here to the Berkshires. At least we found out ahead of time. Thank you very much. Have a good weekend. PS could you just confirm that you received this email so I know you are cancelled? Thanks

I am available on 1/27/10 and was already planning on being in Pittsfield for the [REDACTED] trial (as well as the [REDACTED] trial, though I heard the defense stipulated to the drugs yesterday).

Hi Sonja,
I was just checking in to see your status on 1/27/10. Are you being called to testify in Springfield or are you available? Thanks so much!

Hi Rachael-

Just writing to confirm that I received the trial notice for the [REDACTED] case scheduled for January 27, 2010. As of now, I have a District Court case scheduled in Springfield that day, but who knows if it will go (it's the 2nd trial date I have for this one, but I've left the ADA phone and email messages dating back to 9-21-09 asking for the Cert #, but he still hasn't gotten it/them to me). I'll keep you informed if/when I hear anything else.

Sonja
